Dear friends,

Here we go!!! We are so excited to be off to start the next phase of ministry at our assignment in Florida! How can we adequately thank you for sending us to do this work? It's almost overwhelming when I think of all of the thousands upon thousands who will be able to hear the gospel in the coming years because of our partnership with you. We can do nothing without your prayers and support! And now that "Jesus for Women" has been filmed we have yet another tool to provide to all of the missionaries in the field so that *all* may hear and know of the love of Jesus.

And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them? And how will anyone go and tell them without being sent?
(Romans 10:14-15 NLT)

We will be loading the truck on Saturday, July 8. If you want to help, please let me know. I'll also send out an email before the date to give specific details.

Speaking of email, if you didn't receive an email from me a couple of weeks ago during the filming of "Jesus for Women" it is because I don't have an email address for you! Please send it to me at tim@cockingfamily.com so that I can pass along prayer requests and other news between the regular prayer letters.

Please pray that we would get the last bit of support that we need in the next four weeks. We are very, very close but want to have this wrapped up before we go.

After we get down to Florida we'll let you know how we're settling in and I'll give you more details on the new film and how it's progressing through post production.

Thank you so much for helping us realize our dream to make Christ known where His name has yet to be heard. This is exciting!

In Him,

Tim

P.S. Our new address (after July 14) will be:
