Dear friends,

It's been just one month since we returned from new staff training in Orlando, but what a month it's been! It has been so good to talk with you and share what God is doing with us. Each day I am struck by the reality that 2.5 billion people have never even heard the name of Jesus, let alone the good news of His gospel. I think the thing that is motivating me through this time are the passages that assure us that the task of missions, indeed the Great Commission, will be completed.

And the Good News about the Kingdom will be preached throughout the whole world, so that all nations will hear it, and then, finally, the end will come. Matthew 24:14

I looked and there before me was a great multitude that no one could count, from every nation, tribe, people and tongue, standing before the throne... Revelation 7:9

We will reach to the uttermost part of the world! God assures us that at some point in time we will be done, the task will have been accomplished.

We are so excited to be on our way, and we are so thankful that you are enabling us to do our part. Because we want to be at our assignment in Florida as soon as we can, I am leaving my job at PCI at the end of this month. We have sold the house and are moving in with Lisa's parents on October 1 so that I can devote all of my time to raising support. This is a step in life that we could not have imagined a year ago, but we are so sure of our call that we trust God's provision for us and look forward to all that He has in store. Our new address will be:

1005 Long Street
Fenton, MI 48430

We're planning to keep Lisa's cell phone active, and I will be getting a new one since my current phone belongs to PCI. So you can reach us both now and after the move at 248-227-0023, and we'll let you know my new number when we get it. We're also in the process of getting a web page running, so we'll make sure to let you know when that's ready.

We really appreciate your prayers as we make this transition, and as we continue to work on raising support. And please, let us know how we can be praying for you. We'll look forward to hearing from you!

Serving with you,

Tim
